

THE GOULD BLUE AND GOLD

VOLUME XXIII—NUMBER 1

BETHEL, MAINE, OCTOBER 20, 1964

TEN CENTS A COPY

When Autumn Leaves Begin to Fall . . .

Zephyrs Add Spice to Parents' Day

Parents' Day, October 3, was a cool, sunny day, and a brisk wind helped keep things stirring. After much preparation on the part of Mr. Bowhay, the rest of the faculty, and the students, all went off perfectly.

The day's activities started early with athletic competition with Kent's Hill. The games were hard played and close. We lost the varsity hockey 4-0, tied the J. V. hockey 2-2, lost the archery and won the tennis matches.

The chicken had been cooking since 6:00 A. M., and at noon a delicious chicken barbecue was enjoyed by the parents and students. Many people were seen chasing papers and parts of their dinners which the wind had rudely

snatched away. Our thanks to Mr. Glines, the staff, and the waiters.

The football game was the most exciting event of the day. Excitement had been heightened by a rally and bonfire of the previous night, and credit must be given to the willing and enthusiastic freshmen who piled the wood. The one marring incident occurred when George Nickerson broke his leg in the first play. At half-time the band played three numbers, "Precision Marching," "Do Re Mi," and "La Spagnola." Gould triumphed over Livermore Falls, and the boys did their best for Gould and their proud parents.

While the teachers and parents were getting acquainted and comparing notes on their

respective students and offspring, we were enjoying ourselves at a dance in William Bingham Gymnasium. The decorating of the gym was done by the cheerleaders and other arrangements were made by Al Howard and his committee of hard working seniors.

The culmination of the day was the Band Concert, by the U. S. Navy Band, of the First Naval District of Boston, Mass. It was an excellent program, ranging from stirring military marches to the Swan Lake by Tchaikowsky to selections from Broadway musicals.

This Parents' Day was another in a long line of truly successful and highly enjoyable Gould Parents' Days.

Political Enlightenment At Gould

MR. DONALD NICOLL

Mr. Donald Nicoll, graduate of Colby College and now a professional politician, as a representative of the Democratic party, spoke at a morning assembly, Oct. 12. In order to help his listeners better understand the campaign issues, he spoke of the differences in character of the Presidential candidates, and he also gave reasons for divisions within the two parties. Moving to the state level, he mentioned the senatorial race in general, and the race in the third district in particular. Mr. Nicoll said that when people go to the polls, they should consider first, if they agree with the candidate's views, and second, what his overall record of accomplishment is, and then vote for

MR. DAVID NICHOLS

Mr. David Nichols, as a representative of the Republican party, spoke at a morning assembly, October 5. He explained how canvassers work to obtain votes for their party. These methods included contacts by telephone, by going from door to door, and by mail. He also described how polls were taken and cited statistics on the great number of people who don't make use of their privilege to vote. Mr. Nichols' talk, very informative and entertaining, was enjoyed by all who heard it.

He received a warm round of applause and thanks for his informative presentation.

NATIONAL MERIT FINALIST

We, of the Blue and Gold staff, feel that a special note should be made concerning those students who received certificates of merit in the National Merit Qualifying exam, and an extra word to our one finalist. On Monday morning, Oct. 5, Mr. Vachon had the privilege to announce these winners. Those receiving certificates were: Ray Halperin, Mary Steidl, and Karen Young. These three seniors would make any class extremely proud of them. Capturing the honor as our only finalist, was the new senior boy from Norway, Maine, Tim Wiles. This is a terrific start here at Gould for Tim, and we all hope that all four of these honored students will continue to bring more scholastic honors to Gould Academy.

GIRLS' A. A. WELCOME TEA

At three o'clock on Friday, September 18, 1964, the annual Girls' Athletic Association's welcome tea for all new girls and faculty members involved in the girls' sports program was held in William Bingham Gymnasium.

Each new girl adorned with a name tag, made beforehand by her "big sister," a current member of the Girls' Athletic Association's council. This enabled all to become more easily acquainted.

Jane Look, president, greeted the girls and faculty, telling of the purpose and function of the Girls' Athletic Association. After her greeting she introduced each sports manager and assistant manager, who, in turn, briefly summarized the sport she represented, giving its highlights and stressing its part in the year's program.

Punch and assorted pastries were served throughout the tea.

As a finale, all joined in with the singing of a newly composed song about G. A. A.

The lively, friendly chatter of Gould girls assured all that this was the beginning of another illustrious year in the archives of the Girls' Athletic Association.

STUDENT MIXER

On the eve of Friday, September 11, at eight o'clock, the peaceful solitude of William Bingham Gymnasium was converted to a lively atmosphere of swarming students and observant faculty at the annual Student Mixer.

"Make new friends and keep the old" was the theme of this get together as students arrived to receive name tags in the lobby. While the multitude waited in line, new faces appeared mingling with the more familiar faces of returning students.

In the capable hands of emcee, Jack Andrews, the evening was one of joy and lasting memory for all. The football team was introduced and asked to take the floor as others joined in to make new acquaintances. The conventional Ladies' Choice dance proved to be a successful mixer. Later during the dance, name tags were opened and boys and girls found partners with numbers corresponding to theirs. After the first hour of dancing, refreshments were sold by various members of the student committee.

At ten o'clock it appeared to be time to depart. The large number that attended thought the evening to be successful and a good time was had by all.

MISS IDA HARTMAN ENTERTAINS AT GOULD

For the first assembly of the year, September 28, Miss Ida Hartman, a pianist, entertained the students and faculty with a solo recital.

Miss Hartman, having made an early debut at Town Hall in New York, since has played in virtually every state in the union, giving concerts with many symphony orchestras and chamber music works with several leading ensembles.

Her program included the following: Rhapsody in B Minor, Opus 79, No. 1; Brahms; Sonata in D Minor, Opus 31, No. 2 (The Tempest); Beethoven, Largo-Allegro, Adagio, Allegretto; and by Chopin: Nocturne in C Sharp Minor, Opus 27, No. 1; Mazurka in B Minor, Opus 33, No. 4; Mazurka in D Flat, Opus 30, No. 3; Ballade in G Minor, Opus 23.

FROSH PARTY

On Saturday, September twenty-sixth, the annual freshman party was held in the girls' gym from six-thirty until eight. In contrast with the swinging bonfire building parties, the attendance was good; nearly two-thirds of the class was present. The evening began with dancing to records provided by Darlene Merrill and Pam Douglass. This music later gave way to folk songs sung by the We Three Trio, Greg Bunney, Leslie Sawyer, and Tom Davis. They sang "Blowin' in the Wind" and "This Land is My Land." Refreshments, consisting of soft drinks and six or seven gallons of popcorn, were served before dancing was resumed. The activities of the entire evening were interspersed with witticisms by the emcee, David Hutchins.

Contributing to the success of the party was the planning committee, consisting of Vicki Brown, Richard Gardner, Bill Myers, Bill Eames, and Barbie Halperin. Faculty advisors were Mr. Berry and Miss Brouillard. The time and effort spent were worthwhile, for everyone seemed to enjoy the annual freshman party.

EDITORIALS

THE VITAL FREEDOM

Freedom of Experience is again in danger of being lost. The forces of censorship and control are watching the achievements of American Youth with their same jealousy and over-protectiveness, but these are not new threats. The danger comes from a most unthought-of source—the youth itself. Many secondary and college students, apparently unaware of the dangers of over-control, are clamoring for a return-to-the-womb policy of stricter regulations and a drastic lessening of responsibility, and many reflect this trend of behavior that demonstrates their rejection of responsibility; juvenile delinquency and youth riots are at an all time high. The basic cause of this rejection of maturity is a lack of intelligence and balance: the very practical intelligence that states that these violent imbalances of behavior will bring forth equally unpleasant and misproportioned punishments.

The bulk of the nation's youthful intelligence attends schools like Gould, and to these students, who have the capacity and the background for appreciating the precariousness of the situation, is given the duty of responding in a manner which warrants and demands an increase, not a decrease, in freedom, privilege, and responsibility. Everyone has to face up to his duties in this world: the sooner we do this, the sooner we shall reap the rewards of adulthood.

Timothy Wiles

FOREIGN EXCHANGE PROGRAM

Students of today are the leaders of tomorrow. Through educating students in the ways of world peace and understanding, the world should be a better place in which to live. One way in which this friendship among the peoples of the world can be promoted or maintained and in which young people can participate is through a foreign exchange program. In this program, young people of the world learn to recognize and respect the similarities and differences of those who, though they live in different countries, have dreams and efforts similarly directed toward the goal of a peaceful and useful life. Being young, adaptable, open-minded, and eager to learn, students participating in this program benefit from the enriching experience, and also they provide a helpful medium toward the improvement of foreign relations.

However, such an undertaking would require generous co-operation of many organizations, as well as individuals, not only within the school itself, but also within the surrounding communities. The co-operation of many helping hands, backed by the efforts to open wide the door to a friendlier world, would serve a beneficial purpose.

In the words of former President John F. Kennedy, "It is going to be your destiny, I hope, to serve in the interest of peace as a bridge between the best parts of my country and your people. We want your friendship, and I hope that you will be the seed which will build a better life for all our people."

Is such a program possible at Gould Academy?

HEADMASTER'S CORNER

The new school year is with us and at its beginning I should like to share what I have always considered one of the greatest guidelines for personal success. As you embark on a new journey through the academic year 1964-1965, you will gain much knowledge in preparation for later life. However, with all the academic preparation available to youth in the good educational facilities of today, it is still possible to fail in the great business of living a life of true worth. All about us we witness misunderstandings and jealousies, bad associations and yielding to pressure, harmful habits, lack of purpose and lack of persistency, failure to plan through and failure to follow through and many other weaknesses that tend to ruin our lives. This is not new with our generation. It has existed through the ages and was recognized in the early days of civilization. Philosophers noted long ago that proper direction should be toward understanding and faith, good associations and the resisting of pressure, good habits and worthy goals, all contributing toward purposeful living. The recipe to accomplish this end, they agreed, is what we commonly know today as the Golden Rule. The principle covers so many things and solves so many problems for those who adhere to its teachings. All men respect it and many religions have expressed it as follows:

"So whatever you wish that men would do to you, do so to them." Christianity.

"That which is hateful to you, do not to your fellow man." Judaism.

"—one precept to be acted upon throughout one's whole life—. Do not unto others what you would not have them do to you." Confucianism.

"Do not hurt others in ways that you yourself would find hurtful." Buddhism.

"No one of you is a believer until he desires for his brother that which he desires for himself." Mohammedism.

"This is the sum of duty: Do nothing to others which would cause you pain if done to you." Hinduism.

"Regard your neighbors' gain as your own gain and your neighbors' loss as your own loss." Taoism.

"That nature alone is good which keeps from doing unto another whatever is not good for itself." Zoroastrianism.

Were practice of the Golden Rule adopted universally today, there would be less delinquency, less crimes; fewer wars and fewer moral ills in our society. On the contrary, more effort would be directed to tear down that which tears man down and to build that which builds men up. I recommend it.

MR. CHAKOUMAKOS

In early September, 1964, a new teacher arrived on the campus of Gould Academy. His name is Mr. Chakoumakos, the chemistry teacher and new head of the science department.

Mr. Chakoumakos was born in Biddeford, Maine, on November 6, 1925. After graduating from Biddeford High School, he entered the United States Army for two years where he was in the European Theatre of Operations, and then went to Bates College. He received his Bachelor of Science Degree in Chemistry in 1948 and attended the University of Rochester, where he studied to be a research assistant.

Mr. Chakoumakos is a member of the American Chemical Association, American Association for the Advancement of Science, American Association of Physics Teachers, National Science Teacher Association, National Education Association, New England Chemistry Teachers Association and various local, county and district associations.

Mr. Chakoumakos and family are living in Mr. Emery's old house on Elm Street, Bethel. His hobbies are fly-fishing, photography, (Mr. Chakoumakos is head of the Camera Club) and teaching. He enjoys his work as a teacher so much that he considers it as a hobby.

Mr. Chakoumakos has two first impressions of Gould. The first is that the Gould campus is certainly beautiful

MR. JULIAN THOMPSON

Among the new members of the faculty seen at Gould this year is Mr. Julian Thompson. Mr. Thompson is the Director of Student Activities and is already recognized by most of the student body because of his many and varied responsibilities. As Director of Student Activities Mr. Thompson is the Director of Holden Hall, Senior Class Advisor, Student Council Advisor, Girls' Ski Coach, Tennis Instructor and Director of Publicity for the school. Mr. Thompson also arranges our Assembly programs.

Born in Augusta, Maine, Mr. Thompson attended Edward Little High School and received his A. B. degree in English from Bates College in Lewiston.

Although he has no particular hobby, Mr. Thompson enjoys such outdoor activities as camping and hiking.

When asked if he had any comments, Mr. Thompson said that he likes Gould very much and is enjoying his work with the student body.

Even though he has many activities, Mr. Thompson is always friendly to each and every student. Our school is most fortunate in having him as a member of the faculty.

and the facilities are very nice, and the second is that there is a lot of work to be done educationally (specifically in science) as there is in most schools of today.

The students of Gould like and respect Mr. Chakoumakos and we hope he will be with us for some time.

ORGANIZATIONS

OUTING CLUB

This year's newly elected officers of the Gould Academy Outing Club are: president, Joy Moore; vice-president, Glen Langley; secretary, Anna Thompson; treasurer, Bob Pierce, and S. A. C. representative, Jack Andrews. On the executive council are Stephanie Buchanan, Caren Carswell, Laurel Des-Roches, Claudia Samson, Christine Sanborn, Jack Brooks, Russ Hunter, and Steve Moore. Our advisors are Mr. Barth, Mr. Brewster, and Mr. Knight who guide us on the frequent excursions we take, such as a proposed one to Sherwood Forest.

During the year the club sponsors various week ends, the Winter Carnival, ski trips to Sunday River, and a few mountain climbing expeditions.

Saturday, September 12th, a few of the club's one hundred and thirty-nine members climbed Barker Mountain, also known as Sunday River Skiway. The next week end, on the nineteenth, another group of hardy members climbed Mt. Caribou. On that trip, eight members went up Mt. Jefferson as a trial trip for the following Saturday. On the twenty-sixth, those members with enough stamina, climbed up Mt. Jefferson, from there across to Mt. Washington, and down the auto road. It was a rough trip, but, as anyone who went may tell you, it was well worth the effort.

We members hope that you who failed to join us this fall will realize how much you're missing, and be sure to have your dollar ready by next year!

CAMERA CLUB

The Camera Club is well on its way this year. It is under the direction of Mr. Chakoumakos, the new advisor, and the 1964-65 officers who are: president—Bill Boynton, vice-president—Doug Boynton, secretary—Sue Brown, treasurer—Randy Chretien, program chairman—Tim Hutchins, and S. A. C. representative—Bob Saunders.

Already two films have been presented and classes in enlarging and developing have begun. The new members were taken on a get-acquainted tour of the Holden Hall darkroom last week. Plans are being formulated for a new darkroom in Holden Hall to be constructed in the near future. All in all the Camera Club is off to a good start, and it is still welcoming new members.

S. A. C.

The Student Activity Council, better known on campus as S. A. C., is probably the most important student organization at Gould.

Officers of S. A. C. for this year are: President—Bill Boynton, Vice President—Anne Scribner, Secretary—Chris Sanborn, Treasurer—Ken Morse. Three seniors were chosen for the executive council. They are Joy Moore, Nancy Hancock and Jack Andrews. Our advisors are Mr. Julian Thompson, Miss Macdougall and Mr. Myers.

S.A.C. has sponsored three weekends this fall and also had charge of registration on Parents' Day. S. A. C. also plans the Christmas Formal, special assembly programs and movies. Members conduct all class elections and select the cheerleaders each fall.

Meetings are held once a month for all members and every week for those on the executive council. At these meetings, members try to voice opinions as they think the student body would want them voiced.

MADAME THOMINE

Yes, as the name implies, Madame Thomine is French! From the age of thirteen to twenty years, our lady French teacher received schooling in Paris, going to high school and la Sarbonne, a famous school there. Madame received a degree to teach both English and Latin. After having married, Madame Thomine moved from France to Morocco, Africa, where she lived on a large farm. Having many children Madame Thomine taught them all until they entered high school. As Madame says "There certainly was plenty of teaching to do!" The children were of all ages.

Besides educating her own children to a great extent, Madame Thomine also taught two years at French schools in Africa and also in France. The lady has been a teacher in American Air Force schools. While in France, she took courses and specialized in teaching French to foreigners.

Madame has always liked sports, and finds that American students have more of a chance for sports, clubs, etc., than French students. Often a day, such as Thursday, instead of Saturday, is set aside in France for students to participate in sports. Aside from the language barrier between the French and English, she admits that "we're all alike!"

"ALL SET? YOU BET!!"

The cheerleading squad of 1965 was chosen September 19, 1964 by the members of the Student Activity Council. The results were announced in study hall Monday morning. They were as follows: (listed alphabetically) Sue Bartash, Louann Brown, Betsy Crane, Bucky Douglass, Nancy Fox, Sallie Kinney, Ruth McQuinn, Chris Sanborn, Jane Totten and Elaine Treworgy. The substitutes are Kathy Kittredge and Les Sawyer.

The first practice was held the following Tuesday where Sue Bartash was elected head cheerleader. For the first game of the season, the cheerleaders sponsored a march down the Main Street of Bethel which created spirit from all who attended. After the march, the cheerleaders led the crowd down to the boys' lower athletic field where a roaring bonfire awaited the student body. Les Stevens threw our first dummy of the year into the blazing

fire while the onlookers' cheers filled the atmosphere with spirit and enthusiasm.

The cheerleaders have attended all previous games this year and hope to continue to follow the "Huskies" not only in spirit and enthusiasm but also in good sportsmanship and last but not least in winning victory.

The entire student body wishes the cheerleaders and all sports' teams, the best of luck for this coming year.

CHAPMAN CLUB AND GLEE CLUB

Several weeks ago the Chapman Club, one of the most active musical organizations on campus, held auditions for new members once again. The following students were chosen to join the club because of their exceptional talent in the field of music: Stephanie Buchanan, Greg Bunney, Nancy Chapin, Pepper Howard, Dave Kibbe, Tim King, Janet Kinsley, Barbara McKnight, Stanley McKnight, and Michele Wyke.

Besides putting on several assemblies for the student body during the year, the Chapman Club will also do an operetta, entitled "Amahl and the Night Visitors," for the annual Christmas Concert.

Because of "Brigadoon's" success last year, the Chapman Club is planning to do another musical, "Carousel," next spring.

The Glee Club, which is joining forces with the Chapman Club in the presentation of "Amahl and the Night Visitors" this winter, also held tryouts for any prospective members. At the present time, all members have begun work on the production. The best of luck goes out to all.

FOREIGN ELEMENTS

The Romans of Gould Academy started the new year's wheel of progress spinning on October fifth with the selection of the year's rulers. They are as follows: president—Sue Gould, vice-president—Kevin Wight, secretary—Martha Laws, treasurer—Jack Brooks, and Ken Morse—S. A. C. representative. A member from each class was elected to complete the Olympian council. Nancy Chapin, John Lombard and Linda Lord were the chosen three.

The French crowd swung into action with Anne Scribner as president, Doug Boynton—vice-president, Chris Sanborn—secretary, Jim Clifton—treasurer, and S. A. C. representative—Bill Boynton. Under the lively leadership of its new president, the club plunged into plans for sponsoring its first week end of the year. Jack Brooks headed the planning committee.

It looks like the origin of an extremely interesting year for both clubs!

HUSKIES HARASS LYNDON

The Huskies journeyed to Lyndon September 26 for their first game of the season. The Huskies were quite confident of victory because they had beaten Lyndon very badly last year. At two o'clock the starting line-ups were introduced and the game began.

Gould received the opening kick-off and marched fifty yards to Lyndon's eleven yard line, the key play being a thirty yard pass play from quarterback M. Chretien to Nickerson. The G. A. threat went by the boards, however, as a stout Lyndon defense and a series of penalties forced Gould to give up the ball.

Gould managed to score late in the second period when Foxwell stole a Lyndon pass. A few plays later Atwood blasted over from the four and Nickerson's kick split the uprights for the only points scored in the game.

It has often been said that the best offense is a good defense. This seemed to be true Saturday as Gould defenders picked off five Lyndon passes. Lyndon drove deep into Gould territory twice but Dennis Wheeler stopped them with two key interceptions. Foxwell, Vachon, and Swan also made key interceptions to help the Huskies to their first victory.

Starting line-ups:

Lyndon: le S. Douglas, lt Powers, lg Fisher, c Tourville, rg Oleutt, rt Goulding, re Grant, rlb E. Douglas, lhb Grey, fb Dollof, qb Simpson.

Gould: le Langley, lt Young, lg Runnels, c R. Chretien, rg Twitchell, rt Wight, re Andrews, rlb Nickerson, lhb Wheeler, fb Atwood, qb M. Chretien.

Gould Backs on Their Way!

PARENTS PROUD

A large Parents' Day crowd gathered on campus October 3 to witness the Huskies' massacre of a game, but ineffective, Livermore Falls tribe. After a slow start the two hordes held ground and prevented any scoring in the first period. Home fans were saddened to see sophomore standout George Nickerson hobble from a first quarter pile-up, the victim of a broken leg. Nick will, of course, be through for the season.

The Huskies avenged the mishap by sending Ray Atwood, 195 pound fullback, crashing through the hole to score in the second period. Atwood rushed the first of his trio of extra points to set the tally at 7-0.

Allan Swan, senior defensive back, snagged a stray Livermore pass as the second half commenced and loped 41 yards for Gould's second score. Atwood rushed the point. Despite noble defensive stands by the visitors, Gould marched within scoring distance in the fourth frame. Junior Mike Chretien hit Dennis Wheeler with a short drifting pass to seal the doom of a tiring opposition. Atwood, whose out-

standing play shone throughout the game, picked up his third point after to close all scoring. The scoring at the final whistle: Gould 21, Livermore Falls 0.

In summary:
Gould: le Langley, lt Young, lg Runnels, c R. Chretien, rg Twitchell, rt Wight, re Andrews, qb M. Chretien, lhb Wheeler, rlb Nickerson, fb Atwood.

Livermore Falls: le Girardin, lt M. Simoneau, lg W.

GOULD 26—F. H. S. 30

On Friday, October 9, Gould was host to a cross country meet with Farmington. The F. H. S. Greyhounds had a long list of consecutive victories to their credit and it can be imagined that they wanted to whip the Gould runners, too.

A large, heavily clothed crowd of parents, students and teachers gathered on the athletic field in the icy wind to view the race. The duel was a complete Gould success. To everyone's surprise a new runner on the Gould fall team, Bobby Everett, came in first, trailed by Vaughn Damone. Farmington's Foster and Howatt picked up third and fourth places. Other G. A. counters were: Andy Buck, sixth; Bruce Lane, eighth; and John Lombard, ninth. Brooks chipped into the score by out-sprinting his opponent on the final flat.

Gouldites viewed the final score, Gould 26—Farmington 30, with great satisfaction and hope to see the team continue victorious.

Compliments of

The Shoe Rack

Brown's Variety Store

School Supplies

LeClerc, c Blodgett, rg L. Churchill, rt Bryant, re Parker, qb Clardy, lhb Bilodeau, rlb P. Simoneau, fb Roberts.

Score by periods:

Gould	0	7	7	7	21
Livermore Falls	0	0	0	0	0

TDs: Atwood, Swan, Wheeler. PAT: Atwood (3 rushes).

Referee: Topping. Head Linesman: Allen. Umpire: Simpson. Time: 4-12s.

GORHAM VICTOR

On September 30, Gould lost a squeaker to a powerful Gorham team. The score was Gorham 27 and Gould 29. Gorham was State Champs last year in our division. Gould runners placing in the top ten were as follows: Damone, 2nd; Everett, 3rd; Buck, 7th; Lombard, 8th, and Lane, 9th.

KENTS HILL TENNIS

On October 10, 1964, the girls' tennis team traveled to Kents Hill.

They played four single matches playing two sets with each set counting a point. The players and results of the four single matches are as follows:

- | | |
|---------------------------|----------|
| (1) G. Barrie-Lee Johnson | 6-2, 6-1 |
| K.H. Chris Wulffing | |
| (2) G. Sue Gould | 6-3, 6-2 |
| K.H. Ann Barter | |
| (3) G. Jenny Ogsbury | 3-6, 3-6 |
| K.H. Jane Stinchfield | |
| (4) Caren Carswell | 1-6, 6-2 |
| C. Butler | |

In the singles Gould prevailed over Kents Hill 5-3.

The three double matches were scored in the same way as the singles.

The participants and scores of the doubles are:

- | | |
|-------------------------------------|----------|
| G. Barrie-Lee Johnson and Sue Gould | |
| K.H. J. Poor and Jane Stinchfield | 6-3, 6-1 |
| G. Jenny Ogsbury and Jane Look | |
| K.H. S. Morse and J. Lippman | 4-6, 2-6 |
| Caren Carswell and Ruth MacQuinn | |
| H. Parsons and C. Ernst | 3-6, 4-6 |

WILTON WHIPPED

The Gould Academy Huskies journeyed to Wilton on October 10 for their third football game of the year. The Huskies showed their first real offensive spark as they romped to their third win in as many starts. Gould received the opening kick-off and was forced to punt. Wilton's first ball carrier was greeted by a host of Gould tacklers. The ball squirted from his grip and was recovered by a Gould defender. From then on the Gould offense began to show a little life as it marched forty yards for the score. From then on Gould scored at least once in every period. Long passes later set up a pair of Gould's touchdowns. Atwood led the Huskies in scoring with three touchdowns, his fourth, fifth, and sixth of the year, while Dennis Wheeler gave the Huskies a boost by scoring two others.

Again the Gould defense must be commended because it has held the opposition scoreless for three straight games. Dennis Wheeler intercepted his third pass of the year and Mike Chretien his first. These two interceptions raised the Huskies to eight so far this year.

The Huskies were on the Wilton five yard line when the game ended. The final score was 32-0 favoring Gould.

Gould (32)—le Langley; lt Young; lg Walker; c R. Chretien; rg Twitchell; rt Wight; re Stevens; rlb Buck; lhb Wheeler; fb Atwood; qb M. Chretien.

Wilton (0)—le B. Stanley; lt Small; lg Backus; c Clemens; rg Stinson; rt Stanley; re Davenport; lhb D. Austin; rlb Mays; fb T. Austin; qb Beisaw.

MEXICO DRUBBED IN DUAL DUEL

On October 6, Gould won a close contest at Mexico. The score was Gould 27 and Mexico 31. Gould runners placed as follows: Damone, 2nd; Everett, 3rd; Buck, 5th; Lane, 8th; Lombard, 9th; Brooks, 10th; Tibbetts, 11th, and Chapman, 12th.

On Friday, October 9, Gould entertains a strong Farmington team. Gould would really like to break their winning streak.

GOULD REGISTERS TRIANGULAR VICTORY

Coach Vogt's veteran cross country team started the season off in good shape by winning a triangular meet with Oxford Hills and Bridgton on September 24. Total scores for the meet were: Gould 26, Bridgton 35, and Oxford Hills 74. Vaughn Damone finished first with other Gould runners placing as follows: Everett, 3rd; Buck, 4th; and Lombard, 8th.

The fourteen sets came out even so games were counted in order to determine a winner. Gould was victorious 62 to 56.
